John Muller, Chair
S.F. Bay Regional Water Board
1515 Clay Street, Suite 1400
Oakland, CA 94612

Dear Mr Muller:

The San Francisco Bay is a national treasure. Those of us who live in proximity to the bay should be grateful to those who worked so hard for many years to preserve it and acknowledge our shared responsibility to protect and maintain this wonderful gift. The Board's "hot spot" cleanup level of 100 pieces of trash in a 100 foot section falls far short of the needed level of concern. Please consider implementing a much tougher standard - the goal should be a trash-free bay!

Sincerely,

Paul F. Glodis
